What's new

The Italian version of the Simple Agreement for Future Equity (SAFE) – Subscription Agreement for Future Equity

Linklaters Italy makes available to founders and investors the Italian version of SAFE, an off-the-shelf template of agreement ready to fund the first steps of an innovative company.

Linklaters Italy worked on the creation of the Italian version of SAFE in collaboration with Italian Tech Alliance along with professionals from Growth Capital and law firm Portolano Cavallo, with the aim of making available to founders and investors a contractual arrangement in line with the spirit of the Y-Combinator post-money SAFE but at the same time consistent with the Italian legal system.

Basel Committee on Banking Supervision finalised the prudential treatment of cryptoasset exposures

On 16 December 2022, the Basel Committee on Banking Supervision (BCBS) issued the finalised version of the Prudential treatment of cryptoasset exposures setting out the minimum capital requirements applicable to banks' crypto exposures which will be incorporated into the consolidated Basel Framework and implemented by 1 January 2025 (although interim measures may be implemented before then). How does it work?
